Preaching John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

Preparing Expository Sermons Ramesh Richard, 2001-11-01 The Bible is what God has made. Sermons are what we make with what God has made. This is the foundation for developing expository messages, according to Ramesh Richard. His method, explained in *Preparing Expository Sermons*, has been field-tested in training seminars for thousands of preachers around the world. Richard's book is a simple do-it-yourself resource for developing and preaching expository sermons. It guides the reader through a seven-step process, with many practical suggestions and illustrative charts along the way. In addition, there are eleven appendixes that include information on: o how to choose a text o preaching narratives o

understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included as well. Preparing Expository Sermons, an updated and expanded version of Scripture Sculpture, is ideal for beginning preachers, lay preachers without formal training, or any pastor who is looking for a refresher course in expository sermon preparation.

Kent Hughes has shared the gospel with thousands of people and raised the standard of expository preaching in North America and beyond. Counseling John F. MacArthur,Wayne A. Mack,Master's College Faculty,2017-03-07 Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and his Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople; well-known pastor John MacArthur and contributors present a system of biblical truth that brings together people, their problems, and the living God. This kind of counseling is based on the convictions that: God's Word should be our counseling authority. Counseling is a part of the basic discipling ministry of the local church. God's people can and should be trained to counsel effectively. *Counseling: How to Counsel Biblically* provides biblical guidelines to counsel people who are struggling. The contributors represent some of America's leading biblical teachers and counselors, including: Ken L. Sarles, David Powlison, Douglas Bookman, David B. Maddox, Robert Smith, William W. Goode, and Dennis M. Swanson.

Pastoral Ministry John F. MacArthur,Master's Seminary Faculty,2017-03-07 Pastor John MacArthur combines his passion

for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. Pastors today can easily become preoccupied with the many pitfalls of modern culture, buying into the idea of image and straying from Jesus's call to shepherd leadership. *Pastoral Ministry: How to Shepherd Biblically* presents a practical pastoral theology aimed at showing pastors and pastors-in-training the vital role God's word plays in shaping the preparation and maintaining the priorities of pastoring. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training, and ministering to God's church—along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry, and what is it? Who is personally qualified to be an undershepherd of God's flock? What are the biblical preparations required of shepherd leaders? What priority does God's word place on activities involved in pastoral ministry? United in affirming shepherd leadership as the biblical model for pastoral ministry, The Master's Seminary faculty contributes a treasury of expertise alongside insights from well-known Bible teacher John MacArthur. This book will inspire any pastor dedicated to serving God's church in the pattern of Jesus Christ.

The Gospel According to Paul John F. MacArthur, 2017-04-04 From Bible teacher John MacArthur, a revelatory exploration of what the apostle Paul actually taught about the Good News of Jesus. The apostle Paul penned a number of very concise, focused passages in his letters to the early church that summarize the gospel message in just a few well-chosen words. Each of these key texts has a unique emphasis highlighting some essential aspect of the Good News of Jesus Christ. The chapters in this revelatory new book closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry *Grace to You*, tackles such questions as: What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to grasp, and above all, thoroughly biblical. *The Gospel According to Paul* is written in a style that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers. *The Gospel According to Paul* is the third in a series of books on the gospel by John MacArthur including - *The Gospel According to Jesus* and *The Gospel According to the Apostles*. *The Gospel According to Paul* is also available in Spanish, *Evangelio según Pablo*.

The Great Giveaway David E. Fitch, 2005-11-01 North American evangelicals learned to do church in relation to modernity, asserts David Fitch. Furthermore, evangelicals have begun to model their ministries after the secular sciences or even to farm out functions of the church whenever it seems more efficient. As a result, the church, too often, has stopped being the church. In *The Great Giveaway*, Fitch examines various church practices and shows how and why each function has been compromised by modernity. Discussing such ministries as evangelism, physical healing, and spiritual formation, Fitch challenges Christians to reclaim these lost practices so that the church can regain its influence. Pastors, leaders, and students who minister to the postmodern world will find in this book fresh insight that will stir the hearts of many and spark much-needed discussion about the evangelical church.
