Brian Weiss

My Mystical Past Life Venu Murthy M. K.,2013-12-24 This is a highly readable personal journal of how destiny mystically designs circumstances, from planting a seed of Near Death Experience, Reincarnation and such to nurturing these ideas with the conviction of personal experience and finally integrating it all under the expert guidance of Dr. Brian Weiss. Below are few words from an eminent author and publisher introducing this book:-The book starts in a very dramatic way and from the very first sentence draws you immediately to the series of events those are going to unfold. As you read along the book, the kindness of an American African touches your heart. Dr. Brian Weiss comes in front of you alive. You yourself really start hearing Dr. Weiss speak. There is a touch of humour also in the narrative to enliven you and lot of wisdom pours in. You will surely love this book. Well, here is the book itself in your hand. Go ahead and experience it for yourself. I always felt within my heart, the mystical side of Venu's personality. He is one of the rare individuals, who love to read great books and absorb the noble ideas and ideals contained in them. He is truthful, sincere to the core in his quest for God and has passed through amazing range of experiences in his life which makes him a very good channel of goodness and compassion through past life therapy. I have not found many persons with such pure, altruistic motives that Mr. Venu Murthy carries in his heart. The book has been dedicated at the holy feet of the all pervading eternal master of the universe. I bow down to that Guru and offer my salutations to that eternal master along with Venu Murthy. This narrative is written with noblest of the motives. It is highly readable and as you read along, you won't feel you are reading a book, you will be travelling and experiencing everything that happens along with the author!!!! And it will be a harbinger of a change in many people's lives. May the blessings of God be showered on all those who read it and on all those who come in contact with Venu Murthy is my earnest prayer to God and Guru Deva. - Divakar B.R.*****Strange that things which are mystical happen even, in the lives of Software Engineers! While the former is for the highly developed right brain, the latter demands an exploding amount of left brain activity! Venu Murthy wonders on how mystical his journey has been-from being a techie who bangs his head on computers, to being a Past Life Regression Therapist, systematically trained by the master on this subject Dr. Brian Weiss M.D, the ever compassionate Masters and his year old cute little daughter!

Through Time Into Healing Brian L. Weiss,2012-05-08 The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy, from the New York Times bestselling author of

Many Lives, Many Masters. Brian Weiss made headlines with his groundbreaking research on past life therapy in *Many Lives, Many Masters*. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near death and out of body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, *Through Time Into Healing* shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.

Meditation Brian L. Weiss, M.D., 2002-05-01 Dr. Brian Weiss, author of *Many Lives, Many Masters* presents a new book to help with the practice of meditation (audio download is also included to help guide people through the process). *Meditation: Achieving Inner Peace and Tranquility in Your Life* includes the techniques Dr. Weiss uses on his patients, many of whom have conquered insomnia, phobias, anxieties, weight issues, and disease. Meditation can also lower blood pressure, strengthen the immunological system, and reduce stress.

Miracles Happen Brian L. Weiss, Amy E. Weiss, 2012-10-02 In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

Mirrors of Time Brian L. Weiss, M.D., 2020-09-01 The benefits of regression therapy extend far beyond the clearing of symptoms. Often, the result is healing at all levels—physical, emotional, and spiritual. *Mirrors of Time*, by Brian Weiss, M.D., allows you to take regression therapy to the next level. Now you can go back through time by recalling past events that may have led to difficulties in the present. Through the process of remembering, symptoms diminish, and a strong sense of relaxation and well-being often emerges. Even past-life memories can be elicited by these exercises, and regular practice will enhance your physical and emotional health and open up spiritual vistas that can bring new meaning to your life. An audio download is included that goes beyond meditation and visualization exercises—it contains the actual regression techniques Dr. Weiss uses with his patients. By reading *Mirrors of Time* and practicing the exercises on the accompanying audio, you'll find that you'll be filled with more peace, joy, and love—and virtually all aspects of your everyday life will benefit!

Regression to Times and Places Brian Weiss, 2008-05 *Regression to Times and Places* is the first CD in Brian's new

meditation series. This series helps you to discover and learn meditation and regression techniques. This CD uses several visualizations to access the mind-body connection for healing; for releasing negative thoughts, feelings, and emotions; and for replacing them with positive energy, peace, wisdom, love, and joy. Dr. Brian L. Weiss uses a technique of recounting different historical time periods and suggesting the visualization of geographical places to trigger past-life memories. The regressions provide different techniques for retrieval of memories from this lifetime and prior lifetimes, as well as methods to access spiritual states and inner wisdom.

Through Time Into Healing Brian L. Weiss,1995

Many Lives, Many Masters Brian L. Weiss,1988-07-15 As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the space between lives, which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career.

It's Never the End. Past Lives Present Destiny Alex Raco,2016-05-08 London - late 1880s. Alex - successful MBA, skeptical and materialistic executive, sees himself as a woman in a previous life. And, she's about to have a miscarriage. This out-of-body experience, or regression, totally changes Alex's present life.He recovers from a serious auto immune disease and forsakes the rat race of the business world to bring relief to others. And, through his treatment of clients he has reawakened and guided over 600 people through regressions to their previous lives.This book recounts, with incredible detail, the adventures of his clients' previous lives.Readers learn about hypnosis techniques and other phenomena like déjà vu. Fear not, the book is not overly technical. The author debunks myths about hypnosis, explaining why his controlled techniques produce empirical results, notwithstanding the lack of acceptance by traditional medicine.Have you ever met someone or entered a place for the first time, but, feel like you once knew them or where there before? Mr. Raco's clients expose how childhood memories and previous lives contribute to our present consciousness - our very souls. It goes beyond our brains, before our present beings, and after our deaths. The book describes Mr. Raco's initial heavy skepticism of regression therapy. But it describes the real experiences of many clients. Their regression experiences demonstrate how present problems can be solved or reduced by reworking traumatic memories - in this and in previous lifetimes.A book in which topics such as parenting, soulmates, emotional dependency and the love for animals become alive through the lives of soldiers, monks, thieves, singers, slaves, dwarfs, ancient Romans, medieval peasants and warriors.It is a statistical and empirical investigation from a professional who is able to maintain, in spite of everything, a detached and neutral perspective. A great instrument for the psychological well-being and personal growth of all of us. A book that will change your life.

Same Soul, Many Bodies Brian Leslie Weiss,2004 How often have you wished you could peer into the future? In SAME

SOUL, MANY BODIES Weiss shows you how.

Same Soul, Many Bodies Brian L. Weiss, 2004-11-03 The bestselling author of *Many Lives, Many Masters* breaks new ground to reveal how progression therapy into future lives can help transform us in the present. How often have you wished you could peer into the future? In *Same Soul, Many Bodies*, Brian L. Weiss, MD, shows us how. Through envisioning our lives to come, we can influence their outcome and use this process to bring more joy and healing to our present lives. Dr. Weiss pioneered regression therapy—guiding people through their past lives. Here, he goes beyond that to demonstrate the therapeutic benefits of progression therapy—guiding people through the future in a scientific, responsible, and healing way. Through dozens of case histories detailing both past-life and future-life experiences, Dr. Weiss shows how the choices that we make now will determine our future quality of life. From Samantha, who overcame academic failure once she learned of her future as a great physician, to Evelyn, whose fears and prejudices ended after she envisioned prior and forthcoming lives as a hate victim, Dr. Weiss gives concrete examples of lives transformed by regression and progression therapy. A groundbreaking work, *Same Soul, Many Bodies* is sure to deeply affect peoples' lives as they strive toward their future.

Only Love is Real Brian Leslie Weiss, 1996 In this work, Dr. Weiss tells the story of two of his patients, Elizabeth and Pedro, whom he claims to have been lovers throughout the centuries. Elizabeth began past-life regression therapy for grief and relationship problems.

Your Soul Is Calling You VALARIE COVENTRY, 2012-03-20 A hush came over the audience as Lightening Bear spoke. An arresting figure, over six feet tall with long braids flanking his angular body, he quietly surveyed the audience for several minutes. You could sense that there wasn't one tiny detail that those deep set, hooded eyes missed as his gaze rested thoughtfully on the audience. I see some of you wear eagle feathers in your hats, he said. In our culture, eagle feathers have to be earned and are a mark of the great respect given to that person. You must look amongst your own stories for your answers, he said gently. We cannot help you with your search for your own spirituality, but we will respect your customs and your ways and we are willing to share our knowledge and work together to ensure the survival of our Mother Earth. My first soul call came directly from this experience as a deep, spiritual yearning for information and stories about my own Celtic background and led to my travels up Saint Michael's line in England to many sacred sites. The second soul call came later, when I picked up one of Brian Weiss's books and knew, without a shadow of doubt, that I would train with him in America and take his regression work with me to Australia. The book begins with my own story and the healing that his workshop brought to me and goes on to include regression stories from those that I have worked with real stories about real people. My hope is that these inspirational stories will encourage people to make their own journeys of connection wherever that may lead them. It's very gratifying to have our student and colleague, Valarie, continue this work in Australia and write such a delightful book. Brian L. Weiss, M.D.

Past Life Regression And Reincarnation Prajna Narandani,2022-03-09 Between the two concepts of past life regression and reincarnation, most people are probably more familiar with the latter. However, what few realize is that these two concepts are essentially linked with each other. Reincarnation has to do with the rebirth of a soul. If you believe that you will be reincarnated, then death is nothing to be afraid of. After all, if reincarnation exists for you it only means that life is but one cycle after another and death is just a transition from a previous life to the next. Get all the info you need here.
