

The Dig Preston John

Alan Dean Foster

The Dig John Preston,2016-04-19 THE BASIS FOR THE NETFLIX FILM STARRING CAREY MULLIGAN, RALPH FIENNES, AND LILY JAMES A literary adventure that tells the story of a priceless buried treasure discovered in England on the eve of World War II In the long, hot summer of 1939, Britain is preparing for war, but on a riverside farm in Suffolk there is excitement of another kind. Mrs. Pretty, the widowed owner of the farm, has had her hunch confirmed that the mounds on her land hold buried treasure. As the dig proceeds, it becomes clear that this is no ordinary find. This fictional recreation of the famed Sutton Hoo dig follows three months of intense activity when locals fought outsiders, professionals thwarted amateurs, and love and rivalry flourished in equal measure. As the war looms ever closer, engraved gold peeks through the soil, and each character searches for answers in the buried treasure. Their threads of love, loss, and aspiration weave a common awareness of the past as something that can never truly be left behind.

The Dig John Preston,2007 In the long hot summer of 1939 Britain is preparing for war. But on a riverside farm in Suffolk there is excitement of another kind. Mrs Pretty, the widowed farmer, has had her hunch proved correct that the strange mounds on her land hold buried treasure.

A Very English Scandal John Preston,2016-10-11 The basis for the Emmy award-winning limited series starring Hugh Grant and Ben Whishaw A behind-the-scenes look at the desperate, scandalous private life of a British MP and champion manipulator, and the history-making trial that exposed his dirty secrets While Jeremy Thorpe served as a Member of Parliament and Leader of the Liberal Party in the 1960s and 70s, his bad behavior went under the radar for years. Police and politicians alike colluded to protect one of their own. In 1970, Thorpe was the most popular and charismatic politician in the country, poised to hold the balance of power in a coalition government. But Jeremy Thorpe was a man with a secret. His homosexual affairs and harassment of past partners, along with his propensity for lying and embezzlement, only escalated as he evaded punishment. Until a dark night on the moor with an ex-lover, a dog and a hired gun led to consequences that even his charm and power couldn't help him escape. Dubbed the "Trial of the Century," Thorpe's climactic case at the Old Bailey in London was the first time that a leading British politician had stood trial on a murder charge, the first time that a murder plot had been hatched in the House of Commons. And it was the first time that a prominent public figure had been exposed as a philandering gay man, in an era when homosexuality had only just become legal. With the pace and drama of a thriller, A

Very English Scandal is an extraordinary story of hypocrisy, deceit and betrayal at the heart of the British Establishment.

Fall John Preston, 2021-02-09 Winner of the UK's 2022 Costa Prize for Biography "A portrait of one of the most enigmatic figures in the annals of white-collar crime. . . . A well-researched, compelling book that uncovers many mysteries about a media tycoon."—Kirkus Reviews From the acclaimed author of *A Very English Scandal*, a thrilling and dramatic true-life account of the rise and fall of one of the most notorious media moguls of all time: Robert Maxwell. In February 1991, Robert Maxwell triumphantly sailed into Manhattan harbor on his yacht, the *Lady Ghislaine*, to buy the ailing *New York Daily News*. Taxi drivers stopped their cabs to shake his hand, children asked for his autograph, and patrons of the hottest restaurant in Manhattan gave him a standing ovation while he dined. Ten months later, Maxwell disappeared off that same yacht in the middle of the night and was later found dead in the water. As John Preston reveals in this entertaining and revealing biography, Maxwell's death was as mysterious as his remarkable life. A tightly paced, addictive saga of ambition, hubris, narcissism, greed, power, and intrigue, *Fall* recounts Maxwell's rise and fall and rise and fall again. Preston weaves backwards and forwards in time to examine the forces that shaped Maxwell, including his childhood as a Jew in occupied Eastern Europe through his failed political ambitions in the 1960s which ended in accusations of financial double-dealing, and his resurrection as a media mogul—and on to the family legacy he left behind, including his daughter Ghislaine Maxwell. Preston chronicles Maxwell's all-encompassing rivalry with Rupert Murdoch—a battle that ruined Maxwell financially, threatened his sanity and led, indirectly, to his death. Did Maxwell have a heart attack and fall overboard? Was his death suicide? Or was he murdered—possibly by Mossad or the KGB? Few in the twentieth century journeyed as far from his roots as Robert Maxwell. Yet, as *Fall* reveals, no one, however rich and powerful, can entirely escape their past.

Fall: The Mystery of Robert Maxwell John Preston, 2020

The Dig Cynan Jones, 2015-03-16 Jones's sense of place is acute, and his passion for the landscape—for its colors, its creatures, its textures, its scents—is absolutely magnetic.—Sarah Waters A dark, tense, and vital short novel. . . . Profound, powerful, and utterly absorbing.—*The Guardian* It is a book about the essentials: life and death, cruelty and compassion. It is a book that will get in your bones, and haunt you.—*Daily Telegraph* Cynan Jones's fourth novel, *The Dig*, is an extraordinarily powerful work—not in spite of its brevity but because of it. . . . In its marriage of profound lyricism and feeling for place, deep human compassion and unflinching savagery, this brief and beautiful novel is utterly unique.—*Financial Times* Built of the interlocking fates of a badger-baiter and a farmer struggling through lambing season, *The Dig* unfolds in a stark rural setting where man, animal, and land are at loggerheads. There is no bucolic pastoral here: this is pure, pared-down rural realism, crackling with compressed energy, from a writer of uncommon gifts. Cynan Jones was born near Aberaeron, Wales, in 1975. He is the author of three novels, *The Long Dry* (winner of a Betty Trask Award, 2007), *Everything I Found on the Beach* (2011), and *The Dig* (2014), winner of the Jerwood Fiction Uncovered Prize. He is also the author of *Bird, Blood, Snow*

(2012), the retelling of a medieval Welsh myth. *The Dig* is his first novel published in the United States.

The Dig John Preston,2021-08-23 Un récit brillamment réalisé de la fouille archéologique la plus célèbre de l'histoire britannique, maintenant un film avec Ralph Fiennes, Carey Mulligan et Lily James. Au cours du long été chaud de 1939, la Grande-Bretagne se prépare à la guerre. Mais dans une ferme au bord d'une rivière dans le Suffolk, se manifeste une agitation d'un autre genre : Mme Pretty, une fermière veuve, a l'intuition que les monticules étranges sur sa terre contiennent un trésor enfoui. Alors que les fouilles se déroulent dans un contexte d'anxiété nationale croissante, il devient clair qu'il ne s'agit pas d'une découverte ordinaire... La reconstitution par John Preston de la fouille de Sutton Hoo - la plus grande découverte anglo-saxonne jamais réalisée en Grande-Bretagne - met en scène avec brio ces trois mois d'activité intense où l'amour et la rivalité ont fleuri dans une égale mesure.

The Dig Alan Dean Foster,1997-02-01 When an asteroid out of nowhere threatens to hit Earth, a space shuttle is sent to nudge it into a safe orbit. Venturing to the surface, three crew members become trapped as the asteroid suddenly leaves orbit, transporting them to a strange planet light years away. To find their way home, the intrepid explorers must embark on a dangerous archaeological adventure in this tale of galactic intrigue and suspense.

The Dig Michael Siemsen,2011-01-10 A mysterious woven metal artifact is found at a paleontological dig in Africa. Mystified experts, confounded by the impossible timeline they get from traditional dating methods, call upon a stubborn nineteen-year-old with a unique talent. Matthew Turner's gift is also his curse: When he touches any object, his awareness is flooded with the thoughts and feelings of those who touched it before him. It is a talent that many covet, some fear, and almost no one understands. Despite being exploited as a child and tormented by the unpleasant experiences imprinted on him from the various items he has read, Matthew agrees to travel from New York to the forests of Kenya. There, threatened by unknown enemies and helped by a beautiful but prickly ally who begins to understand his strange ability, he journeys back in geological time to make a discovery so shocking that it forces us to rewrite all human history.

Treasures from Sutton Hoo Gareth Williams,2011 The objects unearthed in 1939 from an Anglo-Saxon ship-burial at Sutton Hoo, Suffolk, rank among the most splendid treasures in the collection of the British Museum. Bringing together fine craftsmanship from England, Germany, Scandinavia, Alexandria and far Byzantium, the spectacular finds included gold and garnet jewellery, silverware, drinking vessels with silver-gilt fittings, a lyre and a sceptre, as well as the iconic helmet, all deliberately buried in the early seventh century as grave-goods for an important, though unidentified, warrior. The Sutton Hoo ship-burial was one of the most exciting discoveries ever made in British archaeology. This beautifully designed introduction to the treasure details the most significant pieces contained within it and explores the circumstances of its burial, discovery and excavation, as well as its lasting legacy and fame.

Mercury Pictures Presents Anthony Marra,2023-06-27 NEW YORK TIMES BESTSELLER • Includes a behind-the-scenes

conversation with bestselling novelist Amor Towles • The epic story of a brilliant woman who must reinvent herself to survive in 1940s Hollywood and fascist Europe, a timeless tale of love, deceit, and sacrifice—and a perfect book club pick—from the award-winning author of *A Constellation of Vital Phenomena* “A genuinely moving and life-affirming novel that’s a true joy to read.”—Celeste Ng, author of *Little Fires Everywhere* “A gorgeous book . . . sublime.”—The New York Times (Editors’ Choice) ONE OF THE BEST BOOKS OF THE YEAR: NPR, The Guardian, Booklist Like many before her, Maria Lagana has come to Hollywood to outrun her past. Born in Rome, where every Sunday her father took her to the cinema instead of church, Maria immigrates with her mother to Los Angeles after a childhood transgression leads to her father’s arrest. Fifteen years later, on the eve of America’s entry into World War II, Maria is an associate producer at Mercury Pictures, trying to keep her personal and professional lives from falling apart. Her mother won’t speak to her. Her boss, a man of many toupees, has been summoned to Washington by congressional investigators. Her boyfriend, a virtuoso Chinese American actor, can’t escape the studio’s narrow typecasting. And the studio itself, Maria’s only home in exile, teeters on the verge of bankruptcy. Over the coming months, as the bright lights go dark across Los Angeles, Mercury Pictures becomes a nexus of European émigrés: modernist poets trying their luck as B-movie screenwriters, once-celebrated architects becoming scale-model miniaturists, and refugee actors finding work playing the very villains they fled. While the world descends into war, Maria rises through a maze of conflicting politics, divided loyalties, and jockeying ambitions. But when the arrival of a stranger from her father’s past threatens Maria’s carefully constructed facade, she must finally confront her father’s fate—and her own. Written with intelligence, wit, and an exhilarating sense of possibility, *Mercury Pictures Presents* spans many moods and tones, from the heartbreaking to the ecstatic. It is a love letter to life’s bit players, a panorama of an era that casts a long shadow over our own, and a tour de force by a novelist whose work *The Washington Post* calls “a flash in the heavens that makes you look up and believe in miracles.”

Recreating the Past Victor G. Ambrus, Michael Aston, Mike Aston, 2009 Drawing.

Neanderthal John Darnton, 2014-10-21 When a paleoanthropologist mysteriously disappears in the remote upper regions of the Pamir Mountains in Tajikistan, two of his former students, once lovers and now competitors, set off in search of him. Along the way, they make an astounding discovery: a remnant band of Neanderthals, the ancient rivals to *Homo sapiens*, live on. The shocking find sparks a struggle that replays a conflict from thirty thousand years ago and delves into the heart of modern humanity.

The Sutton Hoo Story M. O. H. Carver, 2017 A definitive account of Sutton Hoo, its discovery, history and famed treasure.

A Good Girl's Guide to Murder Holly Jackson, 2020-02-04 THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • Everyone is talking about *A Good Girl's Guide to Murder*! With shades of *Serial* and *Making a Murderer* this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in

Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! The perfect nail-biting mystery. —Natasha Preston, #1 New York Times bestselling author

Touching the Moon John Preston,1991

Drawing Somerset's Past Victor Ambrus,South West Heritage Trust,2018-10-12 The archaeology and history of Somerset based on images of the county by Victor Ambrus

The Sutton Hoo Helmet Sonja Marzinzik,2007 A warrior's face - the strong brows inlaid with red garnets, the nose and mouth gilded and its surface tinned a silvery colour - this is how the Sutton Hoo helmet once appeared to those who saw it. Beautifully crafted and visually stunning, it would have inspired awe. But it was also fully capable of protecting its wearer in battle. This book explains how it was discovered together with other priceless treasures including a ship in the great mound at Sutton Hoo, Suffolk, by the archaeologist Basil Brown in the late 1930s. He was employed by the owner of the estate, Mrs Edith Pretty, who generously donated the whole find to the British Museum. After painstaking reconstruction, experts were able to compare this very rare helmet to the few others dating to the same period, and also to speculate for whom it might have been created. Today, some 1,400 years after it was buried, it is the centrepiece for the Sutton Hoo burial exhibit in the British Museum - a remarkable testament to Anglo- Saxon power and artistic skill.

The Cold Vanish Jon Billman,2020-07-07 Perfect for readers of Jon Krakauer and Douglas Preston, this authentic and encyclopedic book examines real-life cases of those who vanish in the wilderness without a trace (Roman Dial)—and those eccentric, determined characters who try to find them. These are the stories that defy conventional logic. The proverbial vanished without a trace incidences, which happen a lot more (and a lot closer to your backyard) than almost anyone thinks. These are the missing whose situations are the hardest on loved ones left behind. The cases that are an embarrassment for park superintendents, rangers and law enforcement charged with Search & Rescue. The ones that baffle the volunteers who comb the mountains, woods and badlands. The stories that should give you pause every time you venture outdoors. Through Jacob Gray's disappearance in Olympic National Park, and his father Randy Gray who left his life to search for him, we will learn about what happens when someone goes missing. Braided around the core will be the stories of the characters who fill the vacuum created by a vanished human being. We'll meet eccentric bloodhound-handler Duff and R.C., his flagship

purebred, who began trailing with the family dog after his brother vanished in the San Gabriel Mountains. And there's Michael Neiger North America's foremost backcountry Search & Rescue expert and self-described bushman obsessed with missing persons. And top researcher of persons missing on public wildlands Ex-San Jose, California detective David Paulides who is also one of the world's foremost Bigfoot researchers. It's a tricky thing to write about missing persons because the story is the absence of someone. A void. The person at the heart of the story is thinner than a smoke ring, invisible as someone else's memory. The bones you dig up are most often metaphorical. While much of the book will embrace memory and faulty memory—history—The Cold Vanish is at its core a story of now and tomorrow. Someone will vanish in the wild tomorrow. These are the people who will go looking.

Getting It Done When You're Depressed, Second Edition Julie A. Fast, John Preston, 2021-01-12 Don't wait another day to live the life you deserve! Instead, get it done while you're depressed. Do you find your energy to be at an all-time low? Do you struggle to get out of bed some days? Have you found yourself losing interest in things that used to excite you?
